

EFA

EXHAUST FILTER

The exhaust filter range EFA is UL approved, and the products are marked accordingly.

The devices covered under this category are incomplete in certain constructional features or restricted in performance capabilities and are intended for use as components of complete equipment submitted for investigation rather than for direct separate installation in the field. The final acceptance of the component is dependent upon its installation and use in complete equipment submitted to Underwriters Laboratories Inc.

Models

EFA200R5
EFA220R5
EFA250-300R5
EFA500-700R5

UL Files

UL File number: E92044
