CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body in which its product certification system includes inspection and testing of samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and/or warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

Issued To:

ERICO INTERNATIONAL CORPORATION

34600 SOLON ROAD SOLON, OH 44139 , United States

CERTIFICATE OF LISTING

Issued To: ERICO INTERNATIONAL CORPORATION

Effective Date: July 2023

File Number: 14197

Product: Pipe Alignment & Secondary Support Systems

Void After: July 2028

This certificate is not evidence of current listing. To verify listing status, visit the IAPMO R&T Product Listing Directory at pld.iapmo.org

Identification:

The product shall bear the manufacturer's name or trademark; and part or model number, when applicable. Markings shall be permanent, legible, and visible after installation, when practicable. The product shall also bear the cUPC® certification mark.

Characteristics:

A pipe positioning system using a combination of brackets, clips, and straps. The exact configuration of the positioning system is dependent on the design of the plumbing system. To be installed in accordance with the manufacturer's instructions and the latest edition of the Uniform Plumbing Code and the National Plumbing Code of Canada.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.
