

INDUSTRY-EXCLUSIVE ENCLOSURE OFFERING THAT COMPLIES WITH NSF-INTERNATIONAL REQUIREMENTS

A PATENTED COMBINATION OF CRITICAL SANITARY FEATURES AND INNOVATIVE DESIGN

WaterShed enclosures provide superior protection for process controls in harsh washdown environments, while minimizing potential contamination catch-points. Featuring a unique patented design, WaterShed is the only enclosure offering that meets the stringent sanitary certification requirements of NSF International. The combination of the sloped top and the angled door flange significantly reduces areas where liquids can pool and bacteria can form.

KEY FEATURES

- **Over 40 standard sizes in free-standing and wall-mount models**
- **Easy-to-clean design**
 - NSF certified
 - Lift-off bullet hinges
 - Sanitary leg kits
 - Sanitary stand-off kits
