

Telescoping Pipe Stand

FEATURES GUIDE

EASE OF INSTALL FEATURES

Complete out-of-the-box assembly provides a compact solution, simplifying material handling and reducing the amount of storage space required

Designed to minimize fabrication and reduce the installation time of a complete stand by up to 80%

Easy "push-to-install" nVent CADDY Rod Lock feature allows the V-bolt to assemble quickly

Includes four holes for anchoring base to floor

The color of the line corresponds to the larger goal of each feature:
